Mrs Bailey-- Whats that noise (sees sputter) Its You is it. Sputter do you hear me. you lazy critter you. How you can sleep in the boiling hot sun is more than I know. But I do know that you are going to get up and go to your work. xixxi You get out of here and get busy. I didnt hire you to lay out here and sleep all day and snore.

Sputters--(stutters as he speaks) Did you say snore Miss Bailey

Mrs Bailey-- Yes I said snore

Sputters--- I don't snore

Mrs Bailey--- Dont snore. Why you snore so loud the chickens wont come near the house to feed

Sputters-- I dont snore

Mrs Bailey-- How do you know you don't

Sputters--- I laid awake lots of times to see if I did. Dont snore a bit

Mrs Bailey-- Get out your crazy(starts toward him)

Sputters-- I may be crazy but I dont snore

Mrs Bailey---Well have it your own way but get a move on you and go to work. The rest of these punchers will think we are trying to make a hot houseplant out of you. They are lways on the job and theres some branding to be done this afternoon. Dont forget that.

Sputters-- Well let them do it.

Mrs Bailey--Why not you do it.

Sputters-- Cant bear to see em suffer.

Mrs Bailey--- Bah you get our or Ill ram you(Grab bucket from well)

Sputters-- Im going Mrs Bailey(Cross gate)

Mrs Bailey--Well see that you do Im tired of looking at you.

Sputters--Oh say is Miss Rose coming home sure enough to-day

Mrs Bailey-- Yes one of the boys has gone out after her now.

Sputters--She kised me when she got home from school a year ago she did

Mrs Bailey-- Good Lord are you going or not(nstart to throw water on him)

Sputters--Wait Im already gone (Exit R.U.)

Mrs Bailey--That sputter is sure the limit. if it aint one thing it is another but I dont know what this place would be without him. xixxi (X down L) (Zambre enters quietly) And just to think of it my little girl will be home to-day. I wonder if shas changed. Perhaps she wont care f r this old ranch after tending school so

long in Phoenix. If Rose should ever want to leave us I'd be ready to quit myself. Bahaw what am I thinking of. But I wish they would come (turns and sees Zambra) Well I'll be blessed. Say Zambra I wish you'd make a noise when you come around me. You creep up on a person with about as much noise as a gila monster would make. I don't like it do you hear me.

Zambra--Itink mebbe so I do mees Bailey

Mrs Bailey--Well then don't forget it the next time. Kicks something over when you decide to make a call near the house and I'll stand the damages (x to house and exut)

Zambra-- (x to Gate) (look after her) Huh so you no lik huh. Mebbe somtin I tell you dat sam ting. Mebbe some tim I tell you dat same ting Mees Bailey. Gringo. Bah Me I am no afraid. (Lights cigarette turns to well) Make big noise when I come mebbe so I will mak big noise. (exut L. U.)

Sputters--(yells off stage)(enter R.U.) (has rope sees Zambra off L) Damm greaser(x to house) (holers) Say-- ~~xxxxxx~~

Mrs Bailey-- Well what now

Sputters-- I-I-I-(points off R) coming. (yells) Welcome home Miss Rose

Miss Bailey-- What Rose and the boys you mean.

Sputters-- Uh Uh

Mrs Bailey-- (looks off R) Oh yes sure enough it is Rose(Horse effects and yells off stage) Oh the darling see how tall she is.

Rose-- (runs on R.U.) Mother Mother you fear old darling(enbrace)

Mrs Bailey-- My little girl I'm so glad to have you back again

Rose--- And you don't know how glad I am to get home again. A young ladies seminary may be allright mother mine but home is so much better. I've often wondered how I managed to stay away as long as I did.

Mr Bailey-- Well they can't change you can they. You don't forget home and mother

Rose--- Mother how could you think of such a thing. (sees Sputters) Forgive me Sputters I did not see you. (takes both hands) But I'm so glad that you're here to meet me. I thought perhaps that you might have left us. Cowpunchers have a reputation of having a roaming nature you know and if you were not here who would I have to accompany me on my rides

Mrs Bailey-- Oh no danger of him leaving. He's got it too easy to think of that. All he does lately is to sleep and I think he gets tired of doing that.

Rose-- Now Mother dear I ~~thinkxx~~ believe you are rather hard on poor Sputters(x to House) You dear old home how I've longed to see you. The architecture of the one I lived in in Phoenix is superb compared to you but Mother you don't know how many times I've longed for this old home and my own room again. (turns to House)

Sputters-- Say she didn't do it.

Mrs Bailey -- Didnt do what
Sputters-- kiss me this time.

Zambra-- (enters L.U. Stand Lof Gate)

Mrs Bailey--(laugh) Oh my Rxxx

Rose-- What is it Mother

Mrs Bailey-- Oh this Sputters says you kised him the last time you came h
home and this time---

Rose-- And in my happiness of being at home I forget it this time
(X to Sputters)m But we can remedy that. Now Sputter(He throws hat
on stage . wipes mouth on sleeve starts to kiss her and backs off
S as if afraid) Here Here(Grabs his arm) Why Sputter what a poor
soldier youd make. Now then (kiss him) Hows that

Sputters-- Great do it again

Rose-- (Laugh Turn and sees Zambra) Mother who is that.

Mrs Bailey-- Oh just a greaser your father picked up a month ago,
Zambra this is my daughter, Miss Rose.

Zambra-(Bow Low) Senorita.Rxxx

Rose--- Senor Zambra

Mrs Bailey-- Come dear lets go in, Ive a thousand questions I want to ask

you. (exit in house with Mrs Bailey)

Sputters--(X t house turns and Sees Zambra) Well what are you standing
there looking at Get out do you here.

Zambra-- Beh I no afraid of you

Sputters-- What you wont go.

Mrs Bailey--- You Zambra put u pthat knife. Sputter whats the row

Sputters--- Nothing much jest dont like him theats all.

Mrs Bailey-- Well clear out both of you the boys are needing your help
right now so get busy.(Both exit) Don't beleive I blame
Sputter I dont like that greaser myself. Seems to be a
good man around cattle but so sneaking in his ways. I do wis
some body would come along this road who knew something about
handling this place. (Rose eneters house) Im getting too old
to be on the jump continually It sures does make my old bones
ache.

Rose-- Has Mother fallen intothe habit of talking to herself

its a very bad sign

Mrs Bailey--- No Rose I was just thinking of that greaser I picked up while back. That fellow kind of gets on my nerves at times and I guess I was muttering out loud.

Rose--- What about him Mother

Mrs Bailey---Well I hardly know. Hes a good man on the job but hang i all he puts me in mind of something that crawls.

Rose-- Why not get rid of him Mother

Mrs Bailey--- I could do that but Im awfully short of help as it is I need every man that I got and more too.

Rose--- I heard your foreman left and took a position ~~xx~~ with his brot in Texas.

Mrs Bailey-- Yes and I sure miss him too . I sort of been trying to hold up his end myself. Wish a good man would happen along

Jim----- (enetr L.U. saddle on back Stands back of fence L)

Rose--- I could ride in the roundup. You know your daughter used to be considered quite a cowpuncher.

Mrs Bailey--- Bless your heart so you were but I guess we can manage some how. If only Thomas had stayed until next month all would have been well.

Rose ---- Then all you really need is a good ~~xxx~~ hand for a foreman.

Mrs Bailey--- Yes and I wish to the good Lord that one would happen along

Jim-- (drops Saddle inside gate) Ill take the job Mam

Mrs Bailey--- Did you say something

Jim--- Come see I said Id take the job as foreman.

Rose--- Oh (stamps foot)

Mrs Bailey --- Hooray I got a foreman you cant fool me Rose your coming home has brought me luck

Rose----- He may be a good foreman, I hope he is but he certainly must have left his manners at the last place he worked or perhaps he never had any.

Mrs Bailey---- Now whats got into your head now child. The fellow seemd to be right enough .

Rose--- Did he Mother.

Mrs. Bailry----Why to be sure Rose Cause he didnt want to say where he hailed from but you know its the ~~tex~~ custom out here not to inquire into a mans past that is not too deep.

Rose-- I guess you are right Mother dear. but you know I beleive I almost
offended poor old Sputter

Mrs. Bailey--- Now I guess not he likes you too well for that.

Rose----- Well he met me at the station last year when I came home and I was so happy to get home I grabbed him and kissed him but I forgot him this time and he reminded me of it. Poor old Sputters has a good boy isnt he mother.

Mrs Bailey---- Sputters cause he his but he aint worth a continental cuason
the job. I just keep him around so the boys can tease him
and amuse themselves.

 You have been kind enough to never ask me any questions
 about my past. I am now ready to tell you. I am the
 owner of the Keystone ranch in Arizona and my twin
 brother was always wild. He got into some trouble and
 one day when he was drunk, this greaser and his gang

from over the border took him on a cattle rustling trip. He was seen and the report given to the sheriff that it was me. The sheriff was a good friend of mine, so he gave me a parole to look for this fellow and his gang. The rest of the gang was captured last week and I got a letter this morning empowering me to arrest this Zambra party and now I've got him. (Puts hand cuffs on Zambra.)

Sput-----Well he may go to jail now, but he'll go to---

Rose-----Sputter.

Sput-----The place where all them greasers go.
